The Potentates Message

August 2023 Potentates Message

Greetings Fellow Nobles and Ladies,

Looks like we are in the Dog Days of Summer! But the back patio at the 1918 always has a nice breeze along with cold drinks and delicious food. Come on out and visit us.

We had a great Imperial Session in Charlotte. It was good to see old friends and meet some new ones. We elected and installed a new Imperial line. We were also introduced to our new Patient Ambassadors. We will be well represented this year.

The 4th Friday dinners have been a huge success! Come on out and experience fine dining at a very reasonable price.

By the time you read this, we will be back from our annual pilgrimage to Guatemala. It's always good to go see our brothers and fellow Nobles down there.

Try to stay cool and hydrated and pray for rain, but not too much rain, lol.

Upcoming events:

August 1 – Return from Guatemala

August 12 – Nobles Birthday Party

August 19/20 – PSC Beach Party and Cold Sands

August 25 – Fourth Friday Dinner

For additional dates, refer to the 2023 Directory. If you do not have the Directory, we will have it available at our Council of Units and Stated meetings, as well as in the office.

Let's keep the momentum going while keeping harmony in our Temple.

From the Cheif Rabban

Greetings Nobles, families, and friends. First and foremost, let me say "HAPPY BIRTHDAY NOBLES!!!" For the sake of some of our newer Nobles and their Ladies, we take to opportunity to celebrate the birthdays of ALL Nobles at one time every year. With that in mind, our annual Nobles Birthday Party is happening in the ballroom on Saturday, 12 August! The Oriental Guide has planned a fantastic evening so get ready to Luau! Check out the flyer here in the Sands or give the office a call for more info!

Did you note the exclamation points? Yes, I'm still excited about being an Egypt Shriner and all the things that we do! In fact, I think the level went even higher (if that were possible) after attending the Imperial Convention in Charlotte, NC last month. WOW! If you haven't already viewed them, make sure you check out the new International Patient Ambassador stories as well as the message from Imperial Sir Ed Stoltz. They are great reminders of why we are the greatest philanthropy in the world!

Speaking of Imperial, we also had a phenomenal motor competition where the Pharoah's and Midgets put on an award-winning shows. Not to be outdone, our cornhole team placed 2nd overall! To top it off, the Sultans were well-represented in the Imperial Parade. I hope that you will join us next year in Reno!

This is going to be another great month. Come on out and celebrate with us throughout the month at our Stated Meeting, the Birthday Party, our weekly Blues Jams, and of course, our 4th Friday dinner.

On behalf of Lady Tara and myself, thank you for your continued support and the honor of be9ng part of your leadership team. We look forward to seeing you all in the 1918!

Fraternally,
Mark

First Lady Kathy Bryant

Chaplain's Corner

Hello My Brothers! Welcome to the “Dog Days’ of summer. I bid you blessings, peace, and goodwill. I want to welcome home all of the Brothers who attended the “Imperial Sessions”. I am sure that you all had a great time and did great work while you were there. This past month has caused me to think of how fantastic God’s creation is. We have a beautiful world, a great country, and a wonderful fraternity. We are truly blessed. Unfortunately, not everyone is able to receive those blessings. Many of us find ourselves frustrated with our neighbors, leaders, families, friends, and even our brothers because they don’t see things the way “I” do. I must admit that I am also sometimes guilty of such thoughts and apprehensions. We are now living in our own “Dog Days. They are hot, slow, and boring, just like the hot sultry days of late summer. Everything seems to either too much or too little for us and we dislike wanting to change anything. We just want to stay in our own little corner of the world and be left alone. But change still happens even if we are too stuck in our own quagmires to recognize it. We are constantly bombarded with negative messages from our leaders, the media, neighbors, and even our Brothers and families. It is easy to want to just dig ourselves a hole and crawl into it, but our Creator doesn’t want us to do that. It is just too easy to accept things as they are and ignore what we are called to do. But I tell you that we can’t be complacent about the world around us. By our very nature and commitment to our Almighty Creator, we must get out of our comfortable “rabbit holes” and continue the work that we have been given to do. My brothers it is our mission to spread love, forgiveness, justice, and harmony to our Brothers, families, and the rest of the world. We have been given the Divine task of spreading love and that is what we must do. We must return to our oaths and responsibilities and put our divisions aside for the greater good. Count your blessings my Brothers and not the desires that you don’t. In short my Brothers, we must be “Shriners, Masons, and Men of God. Let us show our Love to the word and have a glorious and blessed summer!

I bid you all peace.

Shalom!

Chaplain Jeff

In Memoriam

*Passed within the Unseen Temple,
Life is a story in volumes three.
The past, the present, yet to be.
The first we've written and laid away.
The second we're reading day by day.
The third and last of the volumes three,
is locked from sight.
God keepeth the key.*

We need your help. When you are ill or facing hospitalization, we want to know. If one of our fellow Nobles dies, we need to know. Please call the Egypt Shrine office at (813)884-8381 extension 305 and we will make sure our Chaplain is informed of the situation. Thank you.

What is the Pull-Tab Program?

The pull-tab program at Egypt Shriners in Tampa Florida was founded Several years ago, and as a way for the public to help raise funds for the humanitarian and lifesaving services provided by Shriners Children's.

In Tampa, tabs are collected at Egypt Shrine Center. The tabs are redeemed at a recycling center and the proceeds benefit the Shriners Children's Pediatric Orthotics and Prosthetic Services, LLC (POPS). Donations range from small baggies and containers to hold them.

What is the Shriners Children's Pediatric Orthotics and Prosthetic Services?

Funds generated in the pull-tab program designs, fits, and manufactures orthotics and prosthetics for children, from infants to teenagers to young adults. These devices – including shoe inserts, braces, and artificial limbs (both arms and legs) – provide the support children need to meet their full potential and pursue their dreams, whether that's swimming in a race, throwing a baseball, playing an instrument, or just keeping up with their friends.

How Can I Help?

You can help by saving aluminum can pull-tabs and bringing them to the Egypt Shrine Center in Tampa with the proceeds going to the POP's Fund. You can also encourage community awareness of the tab program by getting groups such as schools, church groups, boy and girl scouts, family members and businesses in your area to participate.

It takes more than 1,600 tabs to equal one (1) pound
