The Potentate's Message

Dear Brother Nobles and Ladies,

It is good to see that the attendance keeps building as we move forward and get more active. In May the FASMC Competition took place in Sanford, and we are happy to congratulate the Egypt Motors for 1st place in their category in the O Course. They also took 1st place in their category in the Competitive Drill. The Pharaohs took 2nd place in their category in the Competitive Drill. You can go to the Egypt website and under the tab News then go to the Photo Album and under 2022 you can find the videos of the Drills and watch how good they both are. One of Our Ladies, Kim Lowrance won 1st place in the Diva Derby O Course. We are continuing to make our Lodge visits each month and encourage you all to join us each month. At the April Lodge visit we were handed 3 petitions before we left. So, the visits are working. We had a Derby watch party in the Oasis and had fun and fellowship. Check out the pictures in this issue. Check out the pictures from the Circus as fun was had by everyone. The Ladies made Guacamole at the stated Meeting and had fun making, eating it, and having drinks to go with it.

The Potentates Ball was a GREAT Time! Everyone enjoyed themselves and I want to Thank the Chief Rabban and his Committee for all of the hard work. If you missed it, then you missed a Great time. The Cornhole and Hospital party on Friday before the ball was a great time also. June 4th will be the Spring Ceremonial so if you have any candidates you still have time to get them in. The Honoree will be Our New Grand Master M.W. Robert Lambert who is a Noble here at Egypt, who be here and get Fezzed under the Arch. June 6th is "Shrine International Awareness Day". The dinner for June Stated will be served by the Ladies Without Nobles, so let's support them. The Blood Mobile will be at the Stated Meeting 3:30-7:00 PM and looking for our support. June 12th will be the Annual Directors Staff Corn Boil and as it has been in the past it should be a Great dinner. If you plan on going to Imperial Session in July get with Noble Barry Williams for housing needs. Memorial Day is a time to celebrate and remember military service members who have died in the line of duty. I hope you took time to remember those who have given so much for all Americans.

The Council of Units meeting will be for the announcements to be made, and the Stated meeting will be for business and presentations so we can get together with our ladies in the Oasis. Check out the events calendar on our website <https://www.egyptshriners.com> under the events tab and stay informed about what is going on in YOUR Shrine. We are also sending out information by Email with Constant Contact. If you are not receiving them let us know so we can make sure you get them.

We need to remember that Membership is all our responsibility and together we can grow Egypt Shrine.

Brothers Stay Safe and Peace be with you and have another great month.

Ole' Ole' Ole' Ole' Our guacamole night I believe was a hit! Thank you Lisa, for our drink specials, and a big thanks to Kellie and Felicia for preparing all the ingredients and taking care of everything for that night. It really seemed like all the ladies had fun. Everyone went home with a bowl, muddler, and an avocado tool. Please join us on the second Wednesday of the month for some fun and fellowship! June 8th we will have a game night. Cards, Dominos, maybe some board games. If you have any questions, please let me know. You can always reach me at kbryant710@gmail.com thanks and hope to see everyone next month!

Scottish Rite News

By Worshipful Casey Fletcher 33°, IGH

Freemasonry teaches with the use of symbols, metaphor, myth, legend, and allegory. This missive considers an allegory from classical times, an allegory likely familiar to our ancient brethren.

The "allegory of the cave" is found in Book VII of Plato's The Republic. In a conversation with his student Glaucon, Socrates employs it as a teaching device for Glaucon's (and our) education.

The allegory starts out something like this: we live in a deep cave. The cave has a long entrance stretching upward towards the light that shines into the mouth of the cave. We face the back wall of the cave, so, the mouth of the cave is behind us. We have lived in this cave since childhood, our bodies and heads are chained (at least metaphorically) so we only see the back wall.

As we stare at that wall, images appear. As objects pass by the mouth of the cave their shadow is cast upon the back wall for us to see and consider. Over the course of time, the shadows receive names. One shadow is called a horse, another a bird; another shape is named a triangle. One shadow is designated to be "virtue."

It is sorta like a puppet show. We're not seeing anything real, just the shadow of something, a triangle, a bird, something named Justice. But, since we are chained and know no better, we think the images are real.

By some means or another, we free ourselves from our chains. So, what we do?

We turn around. We turn from the shadows on the back wall and climb towards the light at the mouth of the cave. (If Socrates had included some winding stairs in this part of his allegory, a Mason would feel right at home.) In Latin, the word for turning is conversio from which we get the word conversion. We have had a conversion experience and start searching for light.

When we get close to the mouth of the cave and see some "real"

light – it can be overwhelming. We realize what we thought was real, was a mere shadow or a resemblance.

But our climbing and searching helps us grow more knowledgeable and wiser. We continue.

The allegory of the cave does not end when the mouth of the cave (top of the stairs) is reached. Socrates tells Glaucon he must go back down into the cave. He must help the folks down there with their journey from ignorance to enlightenment. It was his duty to guide them in their search for light.

Socrates told Glaucon he might fail in that endeavor. For he knew, as did our ancient brethren, they might not welcome his insights. Socrates, and our ancient brethren, also knew that each man must make his own decision to turn from shadows and climb toward Light.

We have decided. See you in Lodge.

The writer is a Past Master of Tuscan Lodge No. 6 in Bartow. He is still climbing. He fears Socrates may have rolled over in his grave at this condensed version. Alas, the writer considers brevity to be a virtue; he is not sure that skill was on Socrates' or Plato's lists.

The Scottish Rite meets on the 2nd Monday of each month at 7:00 PM, preceded by a 5:45-ish PM dinner. The meeting locations are rotating for the next two years while a new Center is constructed. Our June 13th meeting will be at Clearwater Lodge No. 117, 705 S Hercules Avenue. Our July 11th meeting will be at DeSoto Lodge No. 105, 10801 DeSoto Road, Riverview. The Scottish Rite's degrees will be conferred September 24, 2022 (tentative). Petitions are available at <http://tampascottishrite.org>.

Past Masters
By R.: H.: Tom Newton

Hello nobles, I hope this finds you well. The Past Masters Unit has elected new officers for the ensuing year and they are working hard

Dues notices have been sent, but many have neglected to pay their dues for 2022. Your prompt attention to paying your dues for the 2022 year is appreciated. But along with the dues, we need your participation in the unit. We have been averaging 8 members at our monthly meetings which are being held at the temple. We need you to arrange your schedule so that you can attend and join not only in the fellowship, but to assist with the business of the unit. We meet on the 1st Monday of each month in the Oasis.

The annual banquet has been postponed Indefinitely. We have raised the dues for the unit to allow us to support other activities within the Shrine . Your participation is greatly urged as we don't want to simply have the 7 or 8 members who have been attending the meetings to make this decision with the input from a majority of the members. Please make your plans to attend the meeting on Labor Day as we will be assisting John Darling Lodge with their annual Labor Day Degree.

We know the many of the lodges are now getting back on track and are raising brothers within their Lodge. Check with your lodge and ask if they need assistance from the unit to put on the second section of the Master's degree. We have had to cancel several of our usual activities due to the COVID situation. The annual Labor Day Degree at John Darling Lodge has been cancelled twice, but we3 are on for this year

If you know a Lodge that needs assistance, you can contact either the Director of work Steve Fortier at ddgm.dist.19.2020@gmail.com or the secretary at tomnew10@gmail.com and we will get the word out to the members.

If you know of a brother who belongs to the unit who is suffering from sickness or distress, please let the secretary know at tomnew10@gmail.com .

Stay safe and protect your family and your fellow nobles. Please observe the precautions necessary to protect those around you.

We are in need for a Noble to step-up and take over the position as the Editor for the Egypt Shrine Sands Magazine. The current editor will be able to help with the transition by walking you through how he creates the Sands. You can create your own version or do what he has been doing.

Are you creative and able to spend some time to do this for us? If you are then please contact the Potentate III Sir Ron Hoedebeck by email at rhoede@gmail.com or by phone 813-610-0641 to talk about it.

PATHWAY OF HONOR II SPECIAL ANNOUNCEMENT

Nobles and friends of Egypt: we are proud to announce that Phase II of the Pathway of Honor brick project is in place. **We do however need your help.** If you ordered an engraved brick during Phase I which had been in storage, there is a SLIGHT chance it may have been misplaced. Therefore we encourage you to visit Phase II and identify your brick. To assist in this we have redesigned the placement of bricks.

The placement plan is as follows:

Using the “Walking tall statue” which faces north:

Memorial bricks are placed in front of it, due North

Individual bricks are placed South (approaching the building)

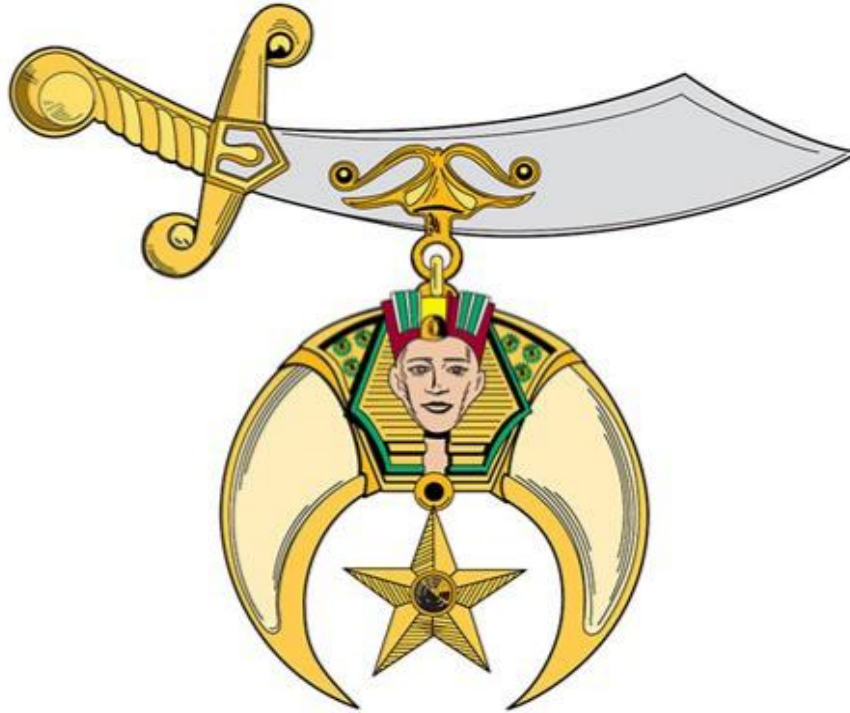

Club/Unit bricks are placed West, and

Masonic and Shrine Dignitary bricks are placed East

Your assistance with this is greatly appreciated. **If your brick is verified as missing it will be replaced at no charge.** Please send any inquires to rmot14@gmail.com and we will respond to you with our findings.

Again thank you for your help

The Sons of Tenenet Taproom #43 is excited to announce that the inaugural Suds for Shriners Oktoberfest Craft Beer Festival will be held at the Temple on Sunday, October 16th!

The festival will begin at 1 PM with an exclusive VIP hour for 100 customers and then continue on from 2-5 for general admission.

Each guest will receive a tasting cup that entitles them to unlimited sampling of beers, ciders and seltzers.

Food can be purchased for an extra charge.

VIP tickets are \$50 and GA for \$35.

The festival will feature 15 local breweries, food vendors, games and more.

Our hope is to not only put on an awesome beer fest, but also show off The Shrine and what we do. And while this is a Sons of Tenenet #43 fundraiser, there are opportunities for any club or unit that would like to be part of the fun and fellowship to make some money themselves. We are currently looking for units to host food tents, games, and anything else that might add to the fun.

Ticket sales and registration will begin online soon. Any club or unit that would like to get involved should contact Noble Brewmaster Jay Dingman by email at jay@oldefloridabrew.com or phone at 727-479-5828.

The Sons of Tenenet #43 is a charter member in the Shriners International Taproom and is a club that is focused on all things fermented. The club currently meets on the 3rd Sunday of every month at 1 PM. The location of the meeting changes monthly, and typically involves visiting breweries, distilleries and brew days. Dues are only \$20 annually and our meetings are open to all Shriners, Ladies, family and friends. If you're interested in joining our ranks, reach out to Jay at the contact info above!

Cheers!

About the FEZtival of Trees

The festival of trees is a family event that is put on by Egypt Shriners with help from local sponsors that showcase decorated “themed” Christmas trees that are raffled off at the end of the event. The tree, decorations, and any goodies under or around it, are all included as the prize.

Trees entered have a variety of “themes” to them and are only limited by the imagination of the Sponsor. Almost any type of company, group, or organization can be a sponsor for the Feztival. Themes are displayed under your company, group or organization name along with the contents that included with the tree on the raffle box located at each tree.

Tree theme examples could be sports teams, outdoors, or day at the beach. In another Shrine’s Feztival of Trees event, a car dealership includes a used car as a prize every year. The car is displayed prominently in the parking lot with the company’s name on it!

The public is invited to view the trees during the weekend display periods of the evening Friday Nov. 25th, Saturday Nov. 26th and Sunday Nov. 27th, and Saturday Dec. 3rd and Sunday Dec. 4th. (**Dates and times are subject to change**). Admission is \$2.00 per person for ages 13 and above. Children 12 years and under are no charge when accompanied by an adult.

Hours of Operation:

Friday, Nov. 25th 1:00 pm to 8:00 pm

Saturday, Nov. 26th 12:00 pm to 8:00 pm

Sunday, Nov. 27th 11:00 am to 5:00 pm

Saturday, Dec. 3rd 12:00 pm to 8:00 pm

Sunday, Dec. 4th 11:00 am to 4:00 pm

TREE SPONSOR RULES AND GUIDELINES

The Festival of Trees fundraiser is an excellent opportunity for businesses to show their philanthropic support while receiving public recognition for their contribution. This type of event has been hosted by other Shrine organizations around the United States for several years.

Based on our previous events we anticipate between 8,000 and 10,000 people will view the trees in our third year. Our goal is to have 70 trees sponsored this year.

The deadline for Tree Sponsor applications is November 11th, 2022.

Tree Requirements

The value of the tree and prizes are required to be valued at a minimum of \$500.00

Tree Spaces are approximately 7×7 ft. The tree and prizes must fit in the designated area. All trees must be new & artificial (Real trees are not allowed). Only **LED** lighting can be used on trees, and the sponsor must supply a new 50-foot power cord that meets electrical code.

Trees may be any size, up to a maximum height of 8 feet. Keep in mind that smaller trees must be elevated to be visible. We suggest trees of at least 5 feet in height.

The tree sponsor must supply all setup accessories including, but not limited to wire, tape, decorations, hangers, wire ties, etc. Trees must be properly secured and be free standing. No screws, nails, etc. Tree skirting is recommended. An Inventory list of all prizes as well as the total value is required.

Prize Requirements

If any item that is displayed is **not included** with your tree, it must be clearly marked as such. Any item not marked will be considered part of the tree package and will be given to the tree winner. Do not attach cash prizes and/or gift cards to the trees. You can use a copy of the gift card, the envelope, play money or paper printed to look like money. Please provide any cash prizes in an envelope marked with the tree number and sponsor name. This envelope will be placed in the Egypt Shrine safe and given to the winner when they pick up their tree. All other items that are not displayed with the tree, but are included in the prize package, must be provided to the Egypt Shrine by Friday Nov. 25th no later than 5:00 pm. These items will be secured in a locked room until they are claimed by the winners.

Shriners International

-  In 2022, the Shriners International fraternity and the Shriners Hospitals for Children health care system celebrate major milestones.
-  Shriners International is celebrating the 150th anniversary of its founding, which was on September 26, 1872.
-  Shriners Hospitals for Children is celebrating the 100th anniversary of its founding, on September 16, 1922.
-  Shriners International was founded in New York City in 1872 by a group of fun-loving Masons. Master Masons are eligible for membership in the organization, which is based on the fundamentals of Masonry but with the added elements of fun and fellowship.
-  Created by Walter M. Fleming, M.D., and actor William J. "Billy" Florence using a Near-east theme that was in vogue at the time, the fraternity was originally named the Ancient Arabic Order of the Nobles of the Mystic Shrine. It still uses Near-eastern symbols, most distinctively the red fez.
-  Now known as Shriners International, the fraternity has nearly 200,000 members, and Shriners can be found on six continents. Shriners are known for their good humor, and they love spending time with others who share their interests, whether it be performing in parades or bands, connecting via Zoom for a technology unit or getting together to ride motorcycles, make barbecue or craft beer. The bond of brotherhood that Shriners enjoy also helps them develop personal and professional skills such as communications and leadership.
-  In addition to fun and fellowship, Shriners value serving their communities in ways large and small. From hosting charity events to volunteering their time to supporting their official philanthropy, the red-fezzed Shriners are among the most generous and caring men you will ever meet.

Shriners Hospitals for Children

-  Members of Shriners International have always shared a common desire to help those in need. Even in the earliest years of the fraternity, nobles aided victims of catastrophic events and served those less fortunate in their local communities, exhibiting a generous spirit beyond the group's mission of fun and fellowship.
-  In the late 1910s, Shriners International took steps to formalize a philanthropic endeavor members could call their own. In 1922, the first Shriners Hospitals for Children opened, in Shreveport, Louisiana, to serve children with orthopedic conditions, particularly those caused by the polio epidemic happening at the time.
-  What began as a single hospital is now a unique health care system with locations across the United States, as well as in Mexico and Canada. Outreach programs help the system reach children around the world.
-  Today, the health care system, often known as Shriners Children's, offers care for a range of orthopedic issues, as well as care for burn injuries, craniofacial conditions, spine care and spinal cord injuries, colorectal and gastrointestinal care, and sports medicine. Our experienced, innovative and dedicated teams work together to provide treatment to help each patient meet their goals and reach their full potential.
-  Since 1922, Shriners Hospitals for Children has improved the lives of more than 1.5 million children.
-  The health care system's three-part mission has one goal: to change and improve lives. We do this by caring for our patients, conducting research to gain knowledge and develop new treatments, and providing educational opportunities for physicians and other health care professionals.
-  The health care professionals of Shriners Hospitals for Children have been responsible for many pioneering treatments over the years, including, but not limited to, innovative treatment for burn injuries, rehabilitative care of kids with spinal cord injuries and new treatments for scoliosis (curvature of the spine) such as vertebral body tethering.
-  Shriners Hospitals for Children looks forward to its next 100 years of caring for children and their families.

What is the Pull-Tab Program?

The pull-tab program at Egypt Shriners in Tampa Florida was founded Several years ago, and as a way for the public to help raise funds for the humanitarian and lifesaving services provided by Shriners Children's.

In Tampa, tabs are collected at Egypt Shrine Center. The tabs are redeemed at a recycling center and the proceeds benefit the Shriners Children's Pediatric Orthotics and Prosthetic Services, LLC (POPS). Donations range from small baggies and containers to hold them.

What is the Shriners Children's Pediatric Orthotics and Prosthetic Services?

Funds generated in the pull-tab program designs, fits, and manufactures orthotics and prosthetics for children, from infants to teenagers to young adults. These devices – including shoe inserts, braces, and artificial limbs (both arms and legs) – provide the support children need to meet their full potential and pursue their dreams, whether that's swimming in a race, throwing a baseball, playing an instrument, or just keeping up with their friends.

How Can I Help?

You can help by saving aluminum can pull-tabs and bringing them to the Egypt Shrine Center in Tampa with the proceeds going to the POP's Fund. You can also encourage community awareness of the tab program by getting groups such as schools, church groups, boy and girl scouts, family members and businesses in your area to participate.

It takes more than 1,600 tabs to equal one (1) pound

In Memoriam

Passed within the Unseen Temple,

Life is a story in volumes three.

The past, the present, yet to be.

The first we've written and laid away.

The second we're reading day by day.

*The third and last of the volumes three,
is locked from sight.*

God keepeth the key.

David A. Osting

The Book of Gold was established in memory of Noble Morton Glenn Henderson by Mrs. Henderson in July of 1969 for Shriners and Non-Shriners who wish to make a memorial contribution in the name of a loved one, close friend, or fellow member in the amount of \$50.

The person's name is then entered in the Book of Gold which is on display in the Egypt Shrine Chapel. It presently has over 400 names and is updated quarterly.

This memorial gift benefits the Egypt Shrine Building Fund and is not tax deductible. Please consider this lasting way to remember a loved one by supporting the Book of Gold and your fraternity.

See information and application form here, or contact the Shrine office for further information.
