Sun City Center Shrine Club

Who we are! We are a Club of Egypt Shrine, Tampa Florida. The Club was Chartered on January 9th, 1963 by Illustrious Sir Raleigh Milian of Egypt Shrine, a duly chartered and constituted body of Shriners International. The Club was formed in Sun City Center and is a recognized organization by the Sun City Center Community Association. We have access to the many facilities of the Community Association. Our luncheon meeting held in the Community Association's Community Hall.

Membership is made of Nobles from the Sun City Center community and surrounding area. The majority are Shriners who have moved to Florida for retirement and wish to continue their Shrine affiliation. There are also many "Snowbirds" who join us during the winter months. The Club's newsletter, *The Communicator* is published monthly and distributed to all the Club Members and Egypt Shrine Divan and appointed positions..

Nobles are good citizens and take active part in the community, state, and national affairs. The Club promotes projects for support of the Shriners Healthcare for Children – Florida and Shriners Hospitals for Children. Furthering the ideals of non-sectarian, non-political, and non-profit in its operation.
