The Potentate's Message

My Fellow Nobles,

I would to start by saying thank you to all who came to support the Noble Birthday Party! We had an awesome time. Our OG, Dennis Bryant and Lady Cathy did a fabulous job. The food was great, the entertainment was awesome and fun was had by all.

We have a new way to pay your dues! It's online through WebFez. The great thing is that WebFez updates immediately! **Here is the link:** <https://shrinetempldues.org/>. Here is the good news - you do not have to pay your dues all at once! You can pay your dues in payments - you can pay \$20, \$40, \$50 per payment or whatever you wish. Once you make a payment, WebFez will show you what you paid and what you have left to pay. Give it a try and see for yourself.

Next month, on October 19th, we are bringing back the **Chili cookoff** and adding a **rib fest!** Start putting your team together now and come out for a fabulous event. The gates will open @ 6 AM. All food must be cooked on site! It will be a great event!

November is our next ceremonial. **Our goal is 58 new members for the year!** We only need 25 for the November Ceremonial. That would be a 5% increase over 2018. It's never to early to begin turning in petitions or viewing the NPD list and talking to someone who has been dropped from the rolls. Restorations is another way gaining new members. The first one who reads this and calls me, I will buy your dinner and drinks for the September Stated Meeting

I want to thank each of you for being part of Egypt Shriners. Our building is coming along nicely. The footers are complete and the pad should be complete by the middle of the month and steel should begin going up shortly.

Do it **Because You Can!**

Thank you and God bless each one of you and your families.

DIRECTOR OF CLUBS

Egypt Shrine Members:

We have an opportunity to create an "EGYPT CHEFS" unit to serve at our new Egypt Shrine.

If you can cook or think you can cook or are a Chef, let us start a Unit to serve the Members in the Oasis and the Public Venue and to increase our revenue. Your Unit Room would be the Kitchen.

This has worked in many Shrines and could serve a lot of purposes.

If we start this now, it would help the design of the new Kitchen at our New Egypt Shrine.

Think about it!!

Fraternally,

Dale Bieber

Scottish Rite News

By Worshipful Casey Fletcher 32°, KCCH

“Freemasonry is a system of morality, veiled in allegory and illustrated by symbols.” Hearing this phrase during the Entered Apprentice lecture several times, it begins to roll easily from the lips. When we hear it, we offer a nod of understanding, without, perhaps, an awareness of what it might mean, what our system is, how our “system” differs from what it is not or what the objective of our system is.

We probably hope the youngest Apprentice never requests an explanation.

Defining or explaining our system is not easy. Freemasonry is not a system of inquiry into the realms of science, history, theology, literature or mathematics; although we call upon and consider these disciplines. Each of these disciplines searches for some kind of Truth or Knowledge, strives to solve some practical problem, seeks to pin-point factual reality or explores some human sensibility.

The scientist observes and tests, seeking factual truth. His search is methodical. Each new discovery of scientific truth displaces the last. Newtonian physics displaced Euclidian geometry. Einstein’s Theory of Relativity replaced Newton. Quantum mechanics, string theory and Stephen Hawking are supplanting Einstein. The point is: scientific knowledge displaces its predecessor.

The poet or writer of literature dreams and imagines. Each weaves a story or tale that appeals to our emotions, but often just leaves us in a state of sentimentality, ambiguity or fuzziness. Homer, Dante and Shakespeare excite the passions but provide little in the way of a syllabus for action.

The prophet reflects on revelation and exhorts prescriptive behavior -- but sometimes dwells in dogma.

Freemasonry’s system, however, resides more in the realm of philosophy – we are not looking for facts – we’re searching for Truth that leads to wisdom. The Greek word for philosophy loosely translates as “love of wisdom.”

Philosophy studies and critiques beliefs, values and convictions; it tests and examines fundamental assumptions about life, conduct, virtue and morality. It aims to “get things right.” The philosopher works to discover answers to great questions in life, well-knowing that many will remain unanswerable.

Philosophy historically has three areas of concentration: logic, physics and ethics. Freemasonry concerns itself with the last arena – ethics. We consider our conduct, character, duty and behavior.

Both philosophy and Freemasonry are a continuous quest. Our work is cumulative; “new” discoveries of Truth do not replace “old” ones; each insight builds upon the last.

The earliest philosophers appear in the 5th and 4th centuries BCE. We recognize some of the names: Socrates, Plato, Aristotle and Xenophon. While their pursuit of knowledge and wisdom covered much territory, there is a theme common to all of them. They searched for an ideal form of government, for the best political theory of how society should be organized and how it should operate.

From Plato and Socrates, we get the books the Republic and the Laws, contemplating a political theory of the best form for a government for a city-state. Aristotle, Plato’s student, wrote the book Politics; he refuted much of his teacher’s ideas and offered alternatives. Xenophon, also a student of Plato, examined King Cyrus’ Persian empire and offered entirely different political theories. These philosophers, and others, had differing ideas, but their topic was similar - Theory. Philosophy for several centuries concentrated on finding good Theories; on addressing societal or political matters.

Advancing a couple of centuries, philosophy's aim changed, because the world changed. Alexander the Great, Aristotle's pupil, had conquered much of the world. Rome took over and replaced its republic with an empire. The city-state no longer existed as it once did.

Philosophers could have argued until they were blue in the face, they could write, contemplate and pontificate all they wanted about political theory and the proper form of government – but nothing was going to change. The world was ruled by an emperor and a big centralized government. Get over it.

Philosophy did. It made a significant turn in its focus and the origins of Masonic thought are seen. Philosophy turned its focus from Theory to Therapy. Therapy in this sense – philosophy began to focus on the individual. It began to focus on questions like, what does it mean to be a good human being? What is virtue? How should one live? How can we be free, be happy? What are our duties? What is duty? What does “just” behavior look like?

This is an important transition: Theory involves study and thought and the accumulation of knowledge. Therapy requires action and transformation.

In the period from the 1st century BCE to about 3rd century CE, we meet entirely different kinds of philosophers: Cicero (Roman Statesman), Marconius Rufus (Rome's Socrates), Seneca (advisor to Nero) and Epictetus (a slave). Four schools of thought developed: Platonic, Aristotelian, Stoic and Epicurean. (Each school has its strength and weaknesses, and all can be found in Masonic ritual. In particular they are summarized, though unnamed, in the lecture to the 27th degree, Knight of the Sun.)

The work of these schools and teachers did not displace those of the ancients, they built upon it. But the object of the schools was different – the focus was the individual, not society. Their object was Therapy not Theory – Action not Debate.

As an example, Cicero developed the ideas of Socrates and Plato about the four cardinal virtues to write a book called *On Moral Duties*. But the book was not about political theory and its audience was not the emperor nor the empire. The book was about individual behavior and the audience was his son. We find a lot of Cicero's words and ideas in the EA Lecture and in *Morals and Dogma*.

We begin to see the connection between philosophy and Freemasonry. Freemasonry deals very little with theory, it deals with personal action and behavior. The correction and elimination of personal vice, the development of virtue, the practice of good habits, the performance of duty. Much more than about the accumulation of knowledge, our journey is one searching for wisdom – practical wisdom.

Ours is a system of philosophical therapy, a pursuit and a lifetime endeavor to “get things right,” morally and otherwise. It is a system that captures and transmits the collective wisdom of the ages.

It is not easy, nor it is intended to be. We use the word “labor” for a reason.

Freemasonry so called “system of morality” is the conduct of philosophy – the pursuit by which we learn to avoid vice, live virtuously, perform our duty and to “get things right” in our heads, hearts and lives. It is personal.

We can conclude Freemasonry's “system of morality” is philosophical, personal Therapy. We need it. We need Freemasonry. And our society needs us; it needs more virtuous men and more philosophers of the Masonic kind.

And as we make progress in this journey, let us hope that our newest Entered Apprentice doesn't ask us any more tough questions.

The Valley of Tampa regularly meets at its Center in Tampa on the 2nd Monday of each month. Dinner is served at 5:45 PM and the regular meeting starts at 7:00 PM. At our September 9th meeting a Scottish Rite Memorial Service will be held for

the late Illustrious James Bockover, 330. This is an "open" ceremony.

The next Reunion has been rescheduled for November 2nd and 3rd. Petitions are available at <http://tampascottishrite.org>.

Chaplain's Corner

By Noble Jefferson C. Lake, Chaplain

Hello Brothers! The events of the last month have no doubt made one wonder as to what is happening in our world as well as our country. I don't have any answers to this. All we can do is ask God for guidance and pray for the world, our country and for each other.

Some times we all forget that we are men of faith and what we say and do matters greatly. We should never hurt by word or deed those in which we come in contact. We are called to be stewards of our Creator's creations and not be apathetic or contributors to the abuses we see all around us. We are called to be shining beacons of hope to our families, friends, neighbors, and even strangers who we do not know.

Take heart my brothers. We are truly loved by our Creator. We must channel this love to the rest of the world in thought, word, and deed. For that is who we are called to be.

So reach out to those around you, listen to others, and don't forget to pray! In case you have forgotten how, just be quiet and listen to God's small voice within you.

I leave you all with this prayer attributed to Saint Francis of Assisi:

Lord God, make us instruments of your peace.

Where there is hatred, let us sow love; where there is injury, pardon; where there is discord, union; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy. Grant that we may not so much seek to be consoled as to console; to be understood, as to understand; to be loved as to love. For it is giving that we receive; it is in pardoning that we are pardoned; and it is dying that we are born to eternal life. Think about it!

Until next month brothers, I bid you all blessings and peace. Shalom!

Highlands Shrine Club

By Noble Jerry Higginbotham

Greetings from the Ridge. On Wednesday, August 14th, some 30 Ladies and Nobles met at the Olive Garden Restaurant for lunch and fellowship. This was the fifth year that we met at a restaurant during the summer months to keep in contact with our fellow Nobles and Ladies. This year we have been together twice which has been a fun time and hopefully the tradition will continue.

On Monday, September 2nd., the club will celebrate Labor Day with a picnic at the club. The Dart club will furnish the hamburgers and hot dogs and the Ladies will be bringing their favorite dish to pass which is always fantastic. It will be a fun time so don't miss it. It is always well attended. See you there.

Continuing activities include Tuesday evening cards, Wednesday Morning Coffee, Friday Night Darts, monthly Bunco, etc. The monthly newsletter and our website www.highlandsshine.com will

keep you advised as to any changes in these scheduled events.

Also, We are looking some Nobles to step up to serve as officers of the club. Some of our present officers are looking to retire from their positions and we need new officers with new ideals for the club to continue to move forward in 2020. Nobles if you are willing to serve contact any club officers. Board meetings will resume in October.

We are looking for some additional dart players on Friday night. We have an average of 12 to 16 Ladies, Nobles and guest playing each week. We divide into two teams and use two dart boards but we would like to have 3 teams as we have 3 dart boards. If you think you might be interested, come out on Friday at 7PM and see. We have extra darts so you can use. None of us are that good but there are a lot of fun and laughs. Afterwards, many of us go to Dairy Queen for socializing and ice cream. It's a fun evening.

Also, Nobles and Masons don't forget that our Shrine Club has 4 RV spaces with water and electricity if you are coming to or through Highlands County. We are located at 2604 State Road 17, Avon Park, Fl. For more information, call our club at 863 382-2208, leave your name & telephone number and we will get back to you shortly.

In closing, we hope all the Nobles and Ladies in Egypt Shrine had a fun and safe summer and now it's time for fall activities to begin. Plan to support your Shrine, Unit, and Club etc. this fall. Activities are planned with you in mind and your participation is needed. Remember you are a member of the greatest organization in the world. Isn't it Great to Be a Shriner!!! Until next time God Bless and God Bless America!

Welcome Egypt Shriners! The Pinellas Shrine Club

gathered together on July 23rd for our regular monthly stated meeting at the Anti-Brewery in Dunedin.

After enjoying some fine Craft Beer in pre-meeting fellowship in the front yard gathering space, the 14 Nobles in attendance retired to the cool bar-side room for the stated meeting to share news about Egypt Shriners and Pinellas County Shrine Club.

Birthday recognition was extended to Noble Duane Mertz celebrating his 70th birthday July 28th.

Under old business, the results of a membership-wide survey regarding the Club's location was shared with the membership. After reviewing the results there was agreement that the Club will continue to meet at the Anti-Brewery and concentrate on new membership. Club members were encouraged to be on the look-out for potential new locations and bring them to the attention of Club members as business items at future meetings.

The Club Christmas Party will be held at the Anti-Brewery on Sunday, December 22 starting at P.M. Noble Ron Martin was appointed Entertainment Chair for the Christmas Party.

Club elections will be held in November.

Noble Chas Jordan informed the Club that he will not seek re-election as Club Secretary. Nobles interested in the position are encouraged to contact Noble Jordon about the position.

Noble Dennis Bryant, OG delivered the following remarks:

- The building of the new Shrine Center is proceeding well. Footers are poured and the slab is about to be laid. The Center is expected to open next year in April or May.
- Chili Cook Off & Rib Fest – Mid-October at Centro Astoriano. The event will feature a dunk-tank for the current Divan and Past Potentates.
- The Fall Ceremonial is scheduled for November 30th

- Nobles Christmas Party for Kids – December 8th at Centro Astoriano.

The Pinellas County Shrine Club welcomes all Shriners. We meet every 4th Tuesday of the month at the Anti-Brewery in Dunedin at 1367 Martin Luther King Jr. Avenue. Why not stop by, say hello, and sample some great craft beer? Be sure to visit Pinellas Shrine Club – Egypt Shriners on Facebook for the latest club news.

Greetings from the Cracker Jacks!

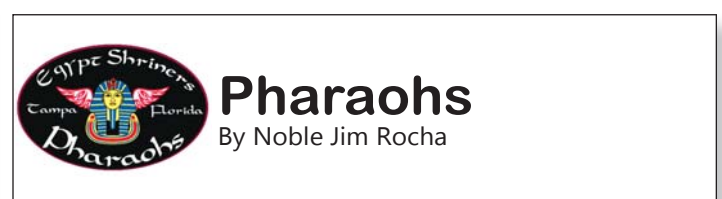

Our summer was slow, as usual. We did participate in the 4th of July parade, which I missed due to being in Nashville for Shrine International. The wife and I enjoyed our time in Nashville, hot as it was, however Nashville greeted us nicely and we had a great time. As of this writing, we still have the parade in Town & Country to do. Which is usually very enjoyable.

The Cracker Jacks picked up 4 new members over the summer and at least 3 are worker bees! Hooray! Welcome to the group guys!

Just to let everyone know, there is still a meal being served before each Shrine meeting, just as before. The Cracker Jacks, with the help of our ladies, served dinner in June, hotdogs & hamburgers, and July, chicken & yellow rice with black beans. The July dinner was disappointing do to the fact that many nobles told us they did not know there was a dinner being served, so they had already eaten. The Cracker Jacks will be serving the meal again in October. It will be a mini pig roast, like we use

to do each year. There will be pulled pork, roasted chicken and farm fresh corn on the cob with all the rest of the fixens. Please don't eat before, come hungry, there will be lots of good food.

And last but not least, if you want to join a unit that is easy on the wallet, you can ride on a float, not walk in the parades, your lady is always welcome, even on the float and we have great fun. Then the Cracker Jacks are where you need to be. We meet at the Hernando County Shine Club (at 13400 Montour St., Brooksville, FL 34613) the last Friday of the month at 6:00 pm. Come hungry cuz there is always food and drink here too! If you have any questions please feel free to call me at 727-514-3181.

A Pharaohs ride will be on Sunday, Sept 15 at noon – isn't it time you got on two wheels? While you're checking that date, any Pharaoh who wants to write a check to the "Egypt Shrine Patients Transportation Fund", mail your donation to me and I will present them for you. For those who remember 2-3 days spent at the corner of Kennedy and Westshore – this involves no hot sun and no rain and no marching back and forth. Our meetings are on the 2nd Tuesdays at 7:30 – Sept 10. Peace be with you.

In Memoriam

*Passed within the Unseen Temple,
Life is a story in volumes three.
The past, the present, yet to be.
The first we've written and laid away.
The second we're reading day by day.
The third and last of the volumes three,
is locked from sight.
God keepeth the key.*
