The Potentates Message

July 2023 Potentates Message

Greetings Fellow Nobles and Ladies,

I cannot believe it's already July. We are already preparing for the Imperial Session!

We have had another busy month in June. I was away on my Potentate's Trip to Ireland until June 8. We had 29 nobles, their ladies, and friends on the trip. We had a great time and were able to get to know our cousins better while in Ireland. I would suggest that if you ever get the chance, go to Ireland.

Upon my return, I was diagnosed with Covid again! I had to quarantine, and I missed the Ceremonial. But our team stepped up led by our Chief Rabban, Mark Miles, and put on an excellent Ceremonial. Great job team!

The next week we had a well-attended Bugs and BBQ in conjunction with the Grand Opening of the new patio. There was live music provided by the Trop Rock Junkies and fun was had by all. By the way, Charley Belcher visited the Shrine on the 16th to help us showcase the facilities, the new menu as well as the Bugs and BBQ event.

Please come out to experience the new patio and the great menu our chef has put together. Remember, this is your Shrine, and we would love to see as many of our nobles enjoy their home.

Upcoming events:

July 1-6th - Imperial Session, Charlotte, NC

July 4th - Independence Day Parade - Safety Harbor Parade

July 26-8/1 - Visit Guatemala for Ceremonial

July 28th - Friday dinner in the Community Room @ 6:00PM

For additional dates, refer to the 2023 Directory. If you do not have the Directory, we will have it available at our Council of Units and Stated meetings, as well as in the office.

Let's keep the momentum going while keeping harmony in our Temple

From the Cheif Rabban

Greetings Nobles, families, and friends! It is hard to believe that June is gone, and we are now halfway through the year. They say that time flies when you are having fun...and I am having a BLAST! June was another busy month for us. The Potentate led a group to Ireland for the 2022 Egypt Shrine Trip, and we had an amazing Spring Ceremonial while welcoming our new Nobles and their families to the Shrine. My sincere and heartfelt appreciation to everyone who helped put on the Ceremonial. It was certainly a non-standard approach, and you all made it appear seamless. In an additional noteworthy moment, we were able to initiate the rebranding of the Palm River Oasis to "The 1918" in conjunction with Egypt Shrine's 105th birthday. We even had Charlie Belcher from Fox 13 here to help us celebrate. If you missed the connection, Egypt Shrine began in 1918 and the rebranding connects us to that point in time so that we can share our legacy with each other, our families, and the public. Are you ready for this...I'M EXCITED! June was also filled with an incredible Bugs and BBQ, the Grand Master's Homecoming visit, and of course, an amazing 4th Friday Dinner. Opa!

Moving into July - the Divan, a handful of Imperial Delegates, and some of our motor units are headed to Charlotte, NC for the Imperial Session. As one of the voting delegates, I look forward to representing you and bringing back the latest and greatest news impacting our fraternity.

On behalf of Lady Tara and myself, I would once again like to thank everyone for your continued love and support for our fraternity, our Egypt Shrine Family, and each other. It is my honor to be a member of your leadership team!

Fraternally, Mark Mark D. Miles Egypt Shriners Chief Rabban

Chaplain's Corner

Greetings and Salutations My Brothers,

By the time that you read this our nation's birthday has passed and we are in the hot steamy days of summer, and I have been absent from you these past few months.

It was a tough year again and the same problems seem to divide and isolate members of our society. We still have the maladies that plague our human existence. The social unrest, political, and racial divisions are still among us. We can't seem to understand our neighbors, our families, and even our brothers. We seem not to be listening much anymore. We are too obsessed with trying to make our needs and positions known that we have forgotten that everyone else has needs and dreams too. Maybe we need to stop talking and try to listen. We need to listen to our Brothers, families, neighbors, and even people that are different from us. Most of all we need to listen to God. I mean really listen and not to someone that says that they have all the answers or are telling you what they think that God said.

We need to be quiet and let God be God. Some of us are listening and be grateful for that. We still retain the Brotherhood of the Shrine and our Masonic heritage. Most of all we are staring to listen to God again. and that brings hope and a better world tomorrow.

We are making progress here at Egypt Shrine and some think it is too fast and others say that it is too slow. But progress is happening. We are not sitting still and remaining complacent. Change is hard and not always welcome, but change will come, and it is us to listen in our hearts as to what God is guiding us to do.

Slowly our needs are getting met but it is in the Creator's own time and not ours. We need to take time to listen, reflect, and savor our blessings.

People are standing up every day and addressing the problems of our nation, local communities, and in our brotherhood. We needed a new kitchen for our beautiful new building. We worked and we thought and listened and prayed about it and finally it is going to happen through the workings of our "Great and Grand Architect of the Universe".

We have been blessed by the generosity of those here in our brotherhood that took time to listen, to each other, the needs of our greater community, and not least of those "God Almighty." Let's remember to do the same and remember our brotherhood, our families, and our neighbors. Let the principals of Free Masonry, our brotherhood, along with the guidance of The Great Grand Architect of the Universe guide us and direct us in all that we do.

We are making good progress my brothers so let's feel it and keep working. Oh yes, and "never stop listening.

Peace and Blessings My Brothers. Chaplain Jeff

From the Directors Staff

The Director's Staff had a good month in June. We participated in the Spring Ceremonial on June tenth. We put on the Knickerbocker Skit and did the Arch Degree for the new Nobles and their family. We Showcased our Unit room and recruited several new members. We enjoyed the Bugs and BBQ and the Grand Opening of our new back patio as we celebrated the 105th Birthday of the beginning of Egypt Shrine. Everyone had a great time. We had our gun raffle drawing before the Stated Meeting and the winner was one of ours from the Showmen's Club, Congratulations!

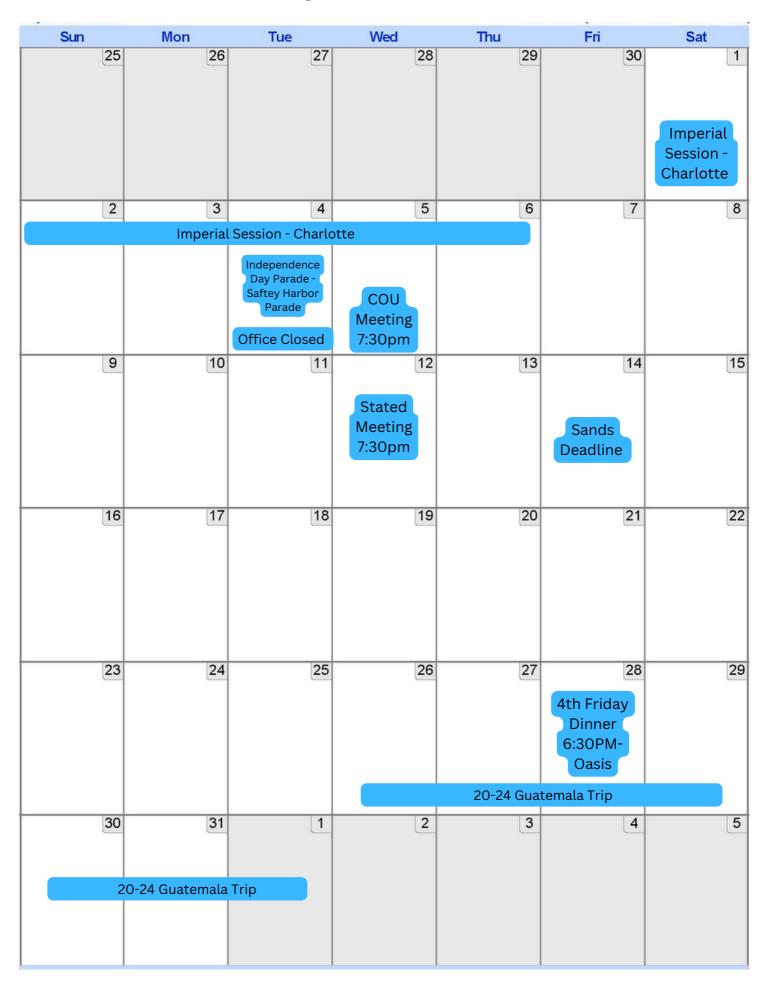

We meet in our room on the 4th Tuesday of the month at 7:30 and welcome All visiting Nobles. Come join us for fun, fellowship, and to aid our Temple in everything SHRINE. We would be happy to have you as a new member. Some of the Activities the Director's Staff are involved in Include:

- · Ceremonials
- · Arch Degree
- · Parade of Units
- · The Memorial Service
- · Egypt Shrine Children's Christmas Party
 - · Annual Corn Boil Party

July will be a slow month for activities because we have our Imperial Session in Charlotte this year. We would like to wish everyone a safe 4th of July and to be safe and have fun.

Any Shriner who is not in a parade unit and would like to do any of the Egypt Shrine parades come join us on our float. Dress in black slacks, Shrine shirt if you have one and Your Fez. Come out and have fun and be engaged with your Brothers.

Did you know?

In 1924, the Imperial Convention was held in Kansas City, Mo. The transportation choices were few in those days and Egypt traveled in style. Note the kid caricatures attached to the top front of the engine. Just below the kids are the words Tampa-Kansas City. You can bet this was a fun trip also.

Did you know?

IIn 1965, construction of a new Temple was started at the Dana Shores location. In 1966, the new building burned to the ground just as construction was completed. The building was rebuilt, construction completed, and in 1967, the nobility of Egypt Shrine Temple moved into their new home, which we now know as the Stu Lang Activities Building. At the end of 1967, Egypt's membership had grown to a total of 5,112 Nobles.

What is the Pull-Tab Program?

The pull-tab program at Egypt Shriners in Tampa Florida was founded Several years ago, and as a way for the public to help raise funds for the humanitarian and lifesaving services provided by Shriners Children's.

In Tampa, tabs are collected at Egypt Shrine Center. The tabs are redeemed at a recycling center and the proceeds benefit the Shriners Children's Pediatric Orthotics and Prosthetic Services, LLC (POPS). Donations range from small baggies and containers to hold them.

What is the Shriners Children's Pediatric Orthotics and Prosthetic Services?

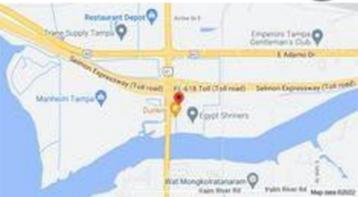

Funds generated in the pull-tab program designs, fits, and manufactures orthotics and prosthetics for children, from infants to teenagers to young adults. These devices – including shoe inserts, braces, and artificial limbs (both arms and legs) – provide the support children need to meet their full potential and pursue their dreams, whether that's swimming in a race, throwing a baseball, playing an instrument, or just keeping up with their friends.

How Can I Help?

You can help by saving aluminum can pull-tabs and bringing them to the Egypt Shrine Center in Tampa with the proceeds going to the POP's Fund. You can also encourage community awareness of the tab program by getting groups such as schools, church groups, boy and girl scouts, family members and businesses in your area to participate.

It takes more than 1,600 tabs to equal one (1) pound
