The Potentate's Message

My Fellow Nobles,

We have just returned from the Imperial Session! It was an awesome time! Hospitality suite was great and we had a blast seeing all of the sites that Nashville had to offer. Wednesday night, July 3rd, we watched Diamond Rio in concert – that was AWESOME! July 4th fireworks were stunning and you had a chance to be with 250,000 of your closest friends on Broadway Street where all of the festivities took place.

November is our next ceremonial. *Our goal is 58 new members for the year!* We only need 25 for the November Ceremonial. That would be a 5% increase over 2018. It's never too early to begin turning in petitions or viewing the NPD list and talking to someone who has been dropped from the rolls. Restorations is another way gaining new members.

We have a new way to pay your dues! It's online through WebFez. The great thing is that WebFez updates immediately! Here is the link: <https://shrinetemplatedues.org/>. Here is the good news - you do not have to pay your dues all at once! You can pay your dues in payments. Once you make a payment, WebFez will show you what you paid and what you have left to pay. Give it a try and see for yourself.

I want to thank each of you for being part of Egypt Shriners. Our building is coming along nicely. We are currently pouring the footers and the elevator shaft. Once those are done, we will begin to build the rebar mesh for the slab. The slab will be 6 inches thick reinforced with a rebar mesh built on 12-inch squares. I will have pictures on the website so be sure to visit it and see how it will look. The first one who reads this and calls me, I will buy your dinner and drinks for the August Stated Meeting.

Do it Because You Can! Thank you and God bless each one of you and your families.

DIRECTOR OF CLUBS

Egypt Shrine Members:

We have an opportunity to create an "EGYPT CHEFS" unit to serve at our new Egypt Shrine.

If you can cook or think you can cook or are a Chef, let us start a Unit to serve the Members in the Oasis and the Public Venue and to increase our revenue. Your Unit Room would be the Kitchen.

This has worked in many Shrines and could serve a lot of purposes.

If we start this now, it would help the design of the new Kitchen at our New Egypt Shrine.

Think about it!!

Fraternally,

Scottish Rite News

By Worshipful Casey Fletcher 32°, KCCH

The number three appears a lot in Freemasonry. We have 3 degrees, 3 principal officers, 3 Great Lights, 3 Lesser Lights, 3 moveable Jewels, 3 immovable jewels, 3 precious jewels of a Fellow Craft; a Fellow Craft receives wages of 3 types and has three Working Tools. There were 3 ruffians. 3 great pillars. We revere 3 senses of Human Nature above all others. There are 3 stages of human life. We give 3 knocks at the door. The Temple had three avenues of entry and exit. We revere three ancient orders of architecture. We are charged to inculcate 3 great duties. Our principal Tenets number three and we had three ancient Grand Masters.

Lots of threes. Yet there are only two working tools for an Entered Apprentice and only one for a Master Mason? Why are there not three tools for each degree?

Outside the US, Freemasonry includes three working tools for each degree.

In England and Scotland, the 3 working tools of the Entered Apprentice are the 24-inch gauge, common gavel and chisel. The explanation of the gavel suggests “the gavel teaches us that skill without exertion is of little avail, that labor is the lot of man; for the heart may conceive, and the head may devise in vain, if the hand be not prompted to execute the design.” This interpretation seems very practical and designed to emphasize the virtue of hard work. It contrasts with our moral explanation that the Common Gavel serves to divest our hearts and consciences of the vices and superfluities of life.

The chisel is not used in Blue Lodges in the US. However, it appears in the Scottish and York Rites. The chisel symbolizes education, the means by which we improve ourselves. The association of the chisel with education is interesting, since education is often thought of as a cumulative endeavor, the accumulation knowledge and facts. The tool removes unnecessary rock from the usable stone, much as a plane remove excess wood. The idea that education

might chip away or remove the unnecessary merits attention. The chisel is emblematical of education by elimination, not accumulation.

The three working tools of Master Mason outside the US are the compasses, skirret and pencil. The compass has significance in our Entered Apprentice degree as a Great Light. In the English ritual, the compasses allude to Justice. Their ritual suggests that “the compasses reminds us of God’s unerring and impartial, justice, Who, having defined for our instruction the limits of good and evil, will reward or punish as we have obeyed or disregarded His Divine commands...should we fail to subdue our passions we will be judged for it, even if we escape earthly punishment.”

The skirret is a tool to be used in laying a foundation. It is a spool of thread on a handle. The loose end of the thread has a loop or ring to attach to a center pin or stake. The thread is unwound and kept taut. Once the desired length is reached, a piece of chalk is used to the mark the foundation line. In modern times, it would be called a chalk line. It serves a similar purpose as the ruler does for drawing a straight line on a piece of paper.

The skirret alludes to that straight and undeviating line of conduct laid down for our reflection in the Volume of Sacred Law. When we consider that the Volumes used by Freemasonry, whether it be the Hebrew Bible, the Christian Bible, the Koran or writings of the Hindus, we recognize that they were written years ago, in cultures and contexts different from contemporary times. Yet each is a rule and guide to our faith and practice.

The third working tool of a Master Mason outside the US is the pencil. The Canadian ritual suggests “the pencil teaches us that all our works and actions are not only observed, but recorded by the Supreme Grand Master, to whom we must render an account of our conduct.”

If we look at the pencil more literally, it, like the compasses and skirret, is a tool of planning. The compasses and pencil are used to draw designs upon the Trestle Board and the skirret helps the Master prepare the ground for the foundation.

This planning must be done before the Apprentice descends into the quarry with his 24-inch gauge, gavel and chisel to prepare stones and before the Fellow Craft tries the first stone with his square.

As we leave the Northeast Corner to build our spiritual Temple, we may reflect upon the necessity of having a full complement of working tools. Perhaps we need three for each of the different stages of life.

We prepare ourselves with the gavel, chisel and 24-inch gauge. We try our work, we try ourselves, by the plumb, level and square. We plan our journey and our building with the pencil, skirret and compasses. We build and finish our work with the use of the trowel.

The Valley of Tampa regularly meets at its Center in Tampa on the 2nd Monday of each month. Dinner is served at 5:45 PM and the regular meeting starts at 7:00 PM. At our August 12th meeting the 8th degree, Intendant of the Building, will be conferred at 6:10 PM, after dinner and before the meeting. Right Worshipful William Sundquist 32nd degree KCCH will present a program at the meeting.

The next Reunion has been rescheduled for November 2nd and 3rd. Petitions are available at <http://tampascottishrite.org>.

Casey Fletcher is the sitting Master of Tuscan Lodge No. 6 in Bartow, Florida.

Chaplain's Corner

By Noble Jefferson C. Lake, Chaplain

Hello My Brothers! Welcome to the "Dog Days" of summer. I bid you blessings, peace, and goodwill.

I want to welcome home all of the Brothers who attended the "Imperial Sessions" in Nashville. I am sure that you all had a great time and did great work while you were there.

This past month has caused me to think of how fantastic God's creation is. We have a beautiful world, a great country, and a wonderful fraternity. We are truly blessed. Unfortunately, not everyone

is able to receive those blessings. Many of us find ourselves frustrated with our neighbors, leaders, families, friends, and even our brothers because they don't see things the way "I" do. I must admit that I am also sometimes guilty of such thought and apprehensions.

We are now living in our own "Dog Days. They are hot, slow, and boring, just like the hot sultry days of late summer. Everything seems to either too much or too little for us and we dislike wanting to change anything. We just want to stay in our own little corner of the world and be left alone. But change still happens even if we are too stuck in our own quagmires to recognize it.

We are constantly bombarded with negative messages from our leaders, the media, neighbors, and even our Brothers and families. It is easy to want to just dig ourselves a hole and crawl into it but our Creator doesn't want us to do that.

It is just too easy to accept things as they are and ignore what we are called to do. But I tell you that we can't be complacent about the world around us. By our very nature and commitment to our Almighty Creator, we must get out of our comfortable "rabbit holes" and continue the work that we have been given to do.

My brothers it is our mission to spread love, forgiveness, justice, and harmony to our Brothers, families, and the rest of the world. We have been given the Divine task of spreading love and that is what we must do. We must be return to our oaths and responsibilities and put our divisions aside for the greater good.

In short my Brothers, we must be "Shriners, Masons, and Men of God.

Let us show our Love to the word!

Have a glorious and blessed summer!

I bid you all peace.

Shalom!

Showmen's Shrine Club

We are getting closer to starting our next year. First meeting will be November 4th. Renewals will be going out soon. We are one of the least expensive organizations in all of the Shrine. For 20 dollars we invite all of you come join us. No obligation to do any work, just come and enjoy the craft.

With being short on items to cover during the summer I decided to go down and do an update on the pictures of the new Shrine Center. Although they look similar to the previous month there has been a lot of work done.

Sun City Center Shrine Club
By Noble Don Churchill

We have been busy in Sun City Center. We got our float to the Safety Harbor Parade with 8 Nobles

riding, what a great parade.

At our Luncheon meeting we accepted 4 new Shriners to our club. We were pleased to receive Noble Kendal Schwindt, John Rehling,

Dale Bieber and Don McDonnell. We are having a lot of discussion on our Pancake Brunch scheduled for October and how to handle the manpower to run it as smoothly as we have in the past. New Members are a key to making everything work.

We have 40 Shriners and wives signed up to go to the Egypt Birthday Party August 10th. We even have a bus lined up to bring us all up and back and not have to worry about driving at night.

Summer time may be the slower time of the year, but we are staying busy and planning our way thru a great fall.

In Memoriam

*Passed within the Unseen Temple,
Life is a story in volumes three.
The past, the present, yet to be.
The first we've written and laid away.
The second we're reading day by day.
The third and last of the volumes three,
is locked from sight.
God keepeth the key.*
