## Keystone Kops of Egypt Shrine

The **Keystone Kops of Egypt Shrine** is one of the most active units at Egypt Shrine. We are a fun-loving bunch, participating in parades, monthly family socials, and several events throughout the year. We support Our Hospitals, Our Shrine, and Our Unit – through our fun philanthropic functions. We meet monthly in our Unit Room to plan those functions over libations and brotherhood.

Kops believe in fun, fellowship, and fraternity for all members, family, and friends.

Our door is always open to any Noble in good standing with Shriners International. Our monthly meetings are held at 7:30 PM on the First Thursday of each month.

Please join us and have BIG FUN!

You must be an active member in good standing of Shriners International to petition the Keystone Kops of Egypt Shrine for membership.

To complete your online petition for membership, go to:
