The Potentate's Message

My Fellow Nobles,

Welcome to April! We have a busy month ahead. To begin with we have the National Street Rod Association National at the Florida State fairgrounds April 5-7. The Fun-N-Frolic and LOH use this event to raise money for our Hospital Days. On Saturday April 6th, we have our Easter Egg hunt. This year it will be down at the Showmen's on Riverview Drive. On the 24th several members of the Divan will be leaving to visit our Brothers in the Guatemala Shrine Club. We have over 50 members and they excited about being members of Egypt Shrine. Finally, on the 28th we will have our Day at the Races! Folks, if you have never attended this event, you have missed an awesome day and a great meal. Please see members of the LOH about tickets!

Next is our very own Egypt Shrine Circus. I wanted to dedicate a paragraph just to the Circus! We need to understand that the Circus is our largest Temple Fund Raiser! We need all hands-on deck to support the Circus and help raise money for the Temple. So please, sell ads, sell banners, Buck-A-Line cards, anything to help the circus to be successful! The Circus is what we call a NOSA. That means "No Other Shrine Activity"!

Remember, in April we are starting both the COU and Stated Meeting at 7 PM. On the Stated meeting our Ladies are welcome for the first half. That is where they get to hear all of the reports made by the Divan and other members and the Potentate. Please remember, that during the March stated meeting we presented some changes to our bylaws! We will be voting on those bylaw changes in April. Please come out to vote!

Membership will be a topic that we will be discussing a lot this year... like every meeting! Egypt Shriners are the only Temple in Shrinedom with such a board! Each and every one of us are a member of the Egypt Shrine Membership team. I challenge each Noble of Egypt Shrine to get just 1 person to become a Shriner! It is not hard, all you have to do is just ask! Last year we created 55 new Nobles, this year our goal is to beat that number by 5%... that means we need 58! Do it Because You Can! Finally, if I ask a noble what our bottom line is and he gives me the correct answer, I will buy his drinks that night! So, be sure to know your numbers.

Dennis "Denbo" Hardy

Thank you and God bless each one of you and your families.

Scottish Rite News

By Worshipful Casey Fletcher 32°, KCCH

The Fellow Craft degree highlights the five human senses before proceeding to a discussion of the seven liberal arts and sciences. The first three of each of these lists appear to be related and might be paired.

The first three arts and sciences, grammar, rhetoric and logic, address how we communicate with others and express ourselves. The importance of each is well-described in the Lecture. Hearing, seeing and feeling, are the natural senses by which we effectuate our expressions.

We hear arguments and can understand them if they are grammatically sufficient. Seeing allows us to judge the sincerity of the speaker's rhetoric. Feeling (as in perceiving) allows us to judge whether the argument is sound, logical and reasonable.

Freemasonry highlights these tools and pairs them for our use. But they are just tools.

The Greek stoic Epictetus (55-135) provides context for the proper and effective use of these tools. And he reminds us that they are but tools. Sight and hearing, he submits, "have been appointed to be slaves and subordinate" to another human faculty. They are but tools for the wise and virtuous man. "An eye, when open, has no option but to see." The decision of what to look at or to observe rests with the wisdom and virtue of the beholder.

The "faculty of expression and arranging words (grammar and rhetoric) ...does nothing more than dress up and organize... a given topic, the way a hairdresser arranges hair. But whether to speak at all or remain silent" is the province of good judgment and of the will.

Epictetus asserted the greatest human sense or element was that of the will. The will to pursue truth, wisdom and knowledge, the will to employ good judgment and act virtuously.

The will controls "speech, as well as every other faculty, great and small." Is there any faculty stronger, he asks? "What can obstruct the will? Nothing external...which is why virtue applies to it alone."

Perhaps here is an intersection with Freemasonry and our life journey. While learning to well-employ our senses and develop our communication skills, we must frame our lives to put them to good use. That requires knowledge and

virtue. It requires will-power.

It was our "will" as Entered Apprentices to search for knowledge and Truth; to learn virtuous habits and right conduct. Our search and journey continue(s) through the Symbolic Lodge and the Scottish Rite.

The human senses and arts and sciences are but our tools to assist us in our travels. We must have the will to use them wisely. Epictetus encourages us.

The Scottish Rite's degrees will next be conferred May 18 and 19, 2019. Petitions are available at <http://tampascottishrite.org>. The Rite meets the second Monday of each month at 7:00 PM, preceded by a dinner at 5:45 PM. At the April 8th meeting, we will honor Brethren who passed to the Celestial Lodge during the past year in a Ceremony of Remembrance and Renewal.

The writer is the Worshipful Master of Tuscan Lodge No. 6 in Bartow, Florida. He believes diplomacy is the will to think twice before remaining silent.

Chaplain's Corner

By Noble Jefferson C. Lake, Chaplain

A Religious Season is upon us.

Brother Nobles: I bring you "Greetings" from the Chaplain's Department of Egypt Shrine. Since this is the season of reflection, generosity, and sacrifice for many of the world's great religions, I have decided to share with you some thoughts about love, generosity, and appreciation for what we have.

We need to be grateful and mindful for what our creator has done for us and the blessings for which we have received. In times of trouble, suspicion, and sectarianism it is easy to forget that we are all God's children and capable of great and gracious acts. Admittedly it is hard to be positive in an increasingly negative world. Every day we see the evils of selfishness, pessimism, envy, and mistrust running rampant in our society and unfortunately sometimes within our own temple. We must remember, however, that we are called to be greater examples to our families, brother nobles, and our greater civic community as well. We must remember the foundations of our faith and the principals of our great masonic family and all of Shrinedom.

My friends and brothers: reach out to your brothers and sisters, no matter what their faith, politics, economic status, gender, or national origin. Always strive for justice, freedom, equality, and peace when dealing with others no matter if

you agree with them or not. Listen! You might just learn something new and your understanding of our Creator's universe and God's mysterious workings will be further revealed to you. In other words, "Treat others as you wish to be treated". In giving you will receive much more peace and grace than you can ever imagine. I will leave you with this challenge for the next time I visit with you.

Make someone smile every day and you will smile yourself, and if someone doesn't have a smile of their own, then give them one of yours. Never fail to tell people that you "love" them, not just your family but your brother nobles and the rest of the world as well.

Blessings and Peace be with all of you.

Greetings from the Ridge. Wow! March was a busy month for the club with our St. Patrick's social. We had 26 Ladies and Nobles who displayed their green for the occasion and of course the meal was Corn beef and Cabbage. Lady Sissel Carr had a very interesting history of St. Patrick and St. Patrick's Day. Needless to say a good time was had by all.

In other March activities, a Spaghetti Dinner fund raiser was held on March 13th which was successful, but details are not available at this time.

We are very appreciative of all our northern nobles and friends who continue to support our weekly activities of Saturday Morning \$5.00 Breakfasts, flea markets, and shrine stores operations, Tuesday evening cards, Wednesday morning coffees, Friday Darts and Bunco the 4th Tuesday of the month.

Our April Social will be on Saturday, April 13th. Check the newsletter for the theme for April. One thing for sure, it will be a really fun night so make your reservations right away if you have not already done so. Call the Shrine office and leave your reservation on the answering machine at 863 382-2208. This will probably be the last social of the season for many of our northern nobility as they plan their

return home so plan to come and say goodbye's until this fall. We know that some of our nobility will be returning soon so to all of our northern Nobility, have a safe trip back home and look forward to seeing you back here next fall.

Also, Nobles and Masons don't forget if you are traveling to or through Highlands County with a motor home or RV, please keep the Shrine Club in mind for an overnight stay or longer if you prefer. We have 4 spaces with electricity and water located on our grounds in shaded areas. So nobles and brothers, set your GPS in our direction. We are located at 2604 State Road 17, Avon Park, and FL. For more information, call our club at 863 382-2208, leave your name & telephone number and we will get back to you shortly.

In closing, we urge all of our Nobles and Ladies to plan to support your club more in 2019 by helping with activities and attending the socials, business meeting, special activities, etc. These activities are planned for you but your support is needed to have a successful year. Remember, this is your club. Isn't it great to be a Shriner! Until next month, God Bless.

Hello Egypt Shriners! The PSC continued our busy Spring by supporting the Sultans Shrine Club and their float in the Dunedin Mardi Gras Parade.

Every PSC member in attendance had a fun time and we were pleased to pass out beads and help the Sultans build awareness for Egypt Shriners.

We are now meeting at the Anti-Brewery in Dunedin at 1367 Martin Luther King Jr. Avenue.

We welcome all Shriners to join us on the 4th Tuesday of the month. Meetings start at 7PM, but pre-meeting fellowship begins at 6PM where we gather around the front yard fire pit for fellowship, cigars, and some of Dunedin's best craft beer.

We still have a few commemorative color-changing mugs available from our East-West Shrine Game Tailgate Fundraiser at a reasonable price. If you don't have yours yet, come to our next meeting on March 26th, or drop me an email at Duane.Mertz@Proforma.com.

The Pinellas County Shrine Club welcomes all Shriners, why not stop by, say hello, and sample some great craft beer.

Be sure to visit Pinellas Shrine Club – Egypt Shriners on

Facebook for the latest news about the Club.

Showmen's Shrine Club

By Noble Chuck Mayo

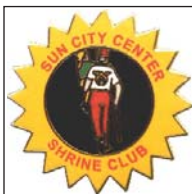

The year for us has come to an end, our next meeting will be November 4, 2019. This article will be about March 4, 2019.

The day started out by pulling the Bumper Cars to Plant City for the Strawberry Festival Parade. One car was dead, but we only had six drivers so that worked out, will at least for the time being. We were only a couple of blocks into the Parade when we heard a pop, a back tire on the Bumper car Cassy was driving had a flat. Glad I was following the unit with the trailer. I pulled past the Bumper car, stopped, dropped the back door and we loaded the car. Cassy joined me in the truck for the rest of the parade. We had another stop, John Amato's car decided to take a break, so, once again we stopped and pushed another car into the trailer. That ended the breakdowns for the day.

Back to to the club and our Appreciation Dinner for the workers. Although attendance was light the dinner was good, in fact it was great. Our new Third Vice,

Mark Popovich headed up the kitchen crew. He had several helpers doing the prep work.

Sun City Center Shrine Club

By Noble Don Churchill

March was a good month. Our new parade vehicle was used for the Strawberry Festival. We received four new applications to join the Sun City Center Shrine Club. We participated in the Sun City Fun Fest, we sold tickets to the Pancake Brunch set for March 31st and we actively looked for new Masons and Shrine Members to join us.

In February, March and again in April our Ladies were invited to a Mimosa gathering prior to lunch and during the start of our Regular Meeting. We all enjoyed the meal following.

We will be ushering on Friday night at the Egypt Circus, our committee has been out selling.

Ads for the Circus book. Another great job by Noble Dale Province.

April will begin the exodus of our snow birds back to northern jurisdictions and their home land.

Our light will still be on, we meet through-out the Spring and Summer and participate in Egypt functions and parades.

Zephyrhills Shrine Club

By Noble Blair Bubar

It has been a quiet month for the Zephyrhills Shrine Club. We had a meeting on the 21st with 10 members present. We would like to kick it up some this coming month.

The Ladies are invited to our March meeting, as we will have a guest speaker. Hopefully we can fill the room.

A special thanks to the Provost Guard Unit for allowing other clubs to ride on their float.

Let us not forget the Shrine Circus. There is always a need for working hands. So let's get in gear and help out.

The April meeting will be on Thursday the 18th. This meeting will be for the Nobles only. We welcome Nobles from anywhere.

If anyone has a question about the Zephyrhills Shrine Club, give me a call. Blair Bubar at 207-694-5876. Until next month, Think Shrine, it's all about the children.

Cracker Jacks

By Noble Ray Vance

As we are writing this a month ahead, here is what we are doing now.

We are half way through the month of March and have done two parades with two more to go. We still have Homosassa, probably the smallest we do, then Chasco, at the end of the month, which is the largest one we do. I have to miss the little one as it falls on the Masonic Home Pilgrimage Day but my crew will be there.

No parades in April, which is good, as we need to pull our float apart and replace all the rotten plywood under its pretty sides. This is not an easy job for a bunch of red necks, especially when we must put it back neatly.

We are meeting at Hernando Shrine Club until our new building is done. Come visit with us you will find that we don't stand on ceremony and you will have a great time.

We meet on the last Friday of the month around 6:00pm for snacks and drinks with meeting to start around 6:30pm. Our Ladies are always there so bring your wife or girlfriend, just not both. Dress casual and if you join don't expect to walk in the parades unless the truck breaks down.

If you have questions or need directions call me 727-514-3181.

While we don't participate in parades, we are promoting Masonry and the Shrine in our activities. We don't have a float, ride on or in mortised vehicles but we perform a service for the various lodges throughout our region. All of our members are Past Masters of their particular Lodges, and each member brings a particular skill set into the unit. We have several Past Potentates who are members and some that currently serve on the Divan. Many of our members serve in the Grand Line of the Most Worshipful Grand Lodge of Florida and we also have several Past Grand Masters who are members. We specialize in Ritual work of the Fraternity, more especially the second section of the Master Mason Degree including the lecture and the charge. The second section of the Master Mason degree has many parts, and many Lodges need assistance in conferring the second section and that is what we are here for, to help.

We have been asked to put on the second section of the Master's degree at John Darling Lodge at their 88th annual Labor Day Degree on September 2nd. This degree will begin at 7:30 am and all Master Masons are invited. If your Lodge needs assistance with the second section of the Master's degree, please contact us. As with most things in this world, we do need some advanced notice to

get the brothers lined up to assist, so please email our secretary Andy Foster at, andyfoosterharley@gmail.com or our president R[W] Steve Silvers at mrsteve1@verizon.net so that we can get the word out to our unit.

We are here to serve Masonry as a whole and promote the shrine with our presence.

If you turn around and blink, the year is one quarter of the way through, and as they say "Time waits for no one". With that said our new home will be built before we know it. The parade season will soon come to an end, but for now, the Provost Guard are enjoying our refurbished float. Fun was had by all guardsmen who rode the float at the Strawberry and Zephyrhills Parades, and no doubt the parade goes based on their reactions as we rode by playing our music enjoyed it as well, while we refreshed their minds about what the Shrine is all about "Our Children and Hospitals". We certainly are looking forward to the Homosassa Parade as well as the Chasco Parade, and with increased participation with fellow guardsmen, its only getting better.

The Egypt Shrine Circus is just around the corner, the new format with the carnival midway is very exciting and should draw larger crowds. As usual, its important that everyone support the circus both financially and through man power. The Provost Guard will again take the lead in security, both out in the midway rides and inside the circus itself through out each and every performance Thursday, April 11th through Sunday, April 14th, 2019.

History sometimes gets lost, or sadly in some cases erased, so with that in mind, a little history of the Egypt Shrine Provost Guard. The Provost Guard of Egypt Shrine is in its 70th year of existence, chartered in 1948, it has enjoyed a robust number of memberships, even in todays standards, The Provost Guard has played an intracule part in our shrine center over the years, and can still be counted on to "STEP-UP" and do their part. If your looking for a unit that is of this caliber, look no further, all Nobles in good standing are welcome to join with the Egypt Shrine Provost Guard.

We meet on the third Wednesday of each month 7:30 P.M. at Centro Asturiano. Come out and join with us.

Proposed Bylaw Change

Bylaws of Shriners International Read:

ARTICLE 24

Temple Meetings & Ceremonials

§ 324.1 Stated Meetings.

(a) Frequency. Every temple must hold a stated meeting at least once in each calendar quarter. The Imperial Potentate may grant a special dispensation to change the date of any stated meeting.

(b) Annual Meeting Date and Location. The first stated meeting of each calendar year must be held in January at the location of the temple and it is the annual meeting. The Imperial Potentate may grant a special dispensation to change the location of the annual meeting. Amend. 2015

Egypt Shriners Bylaws Currently Read:

§3.1 Stated Meetings. A stated meeting shall be held on the second Wednesday of each month (except the Annual Meeting). The exact hour of all meetings, including the annual meeting, shall be designated by the Potentate.

(a) Annual Meeting. The annual meeting shall be held on the second Saturday in January.

Proposed change:

Therefore Be it Resolved that Egypt Shriners Bylaws §3.1 Be Amended to Read:

§3.1 Stated Meetings. A stated meeting shall be held monthly with the date of the meeting to be designated by the Potentate. The exact hour of all meetings, including the annual meeting, shall be designated by the Potentate.

(a) No Change.

Purpose: In the past, Egypt Shriners Stated Meetings have been rescheduled for different reasons, e.g., due to the timing of an Imperial Session or Potentate's trip. This scheduling change requires the dispensation by the Imperial Potentate. Changing this Bylaw would give the sitting Potentate the **flexibility, if desired**, to move the December stated meeting to whatever day that would facilitate the election of officers.

Proposed Bylaw Change

Bylaws of Shriners International Read:

Article 25

Officers; Their Election or Appointment

§ 325.4 When Elected. Each temple must elect its officers and representatives at its annual meeting in January unless its bylaws allow the election to occur at the temple's stated meeting in December.

Egypt Shriners Bylaws Currently Read:

§4.3 Election and Appointment. The election and appointment of officers are governed by the bylaws of Shriners International.

Proposed change:

Therefore Be it Resolved that Egypt Shriners Bylaws §4.3 be Amended to Read:

§4.3 Election and Appointment. The election and appointment of officers are governed by the bylaws of Shriners International and shall take place at the December stated meeting.

Purpose: Changing this Bylaw would bring Egypt Shriners in line with all other temples in Florida who already vote in December. This will allow the Divan-elect, the necessary time to address the obligations of their newly elected position: The Oriental Guide-Elect additional time to better plan the Showmen Expo; and the Potentate-Elect to mail invitations for the Potentate's Ball. He presently has about 5 weeks to mail his invitations. This often gives our guests insufficient time to secure a room at the host hotel because of the hotel's set deadlines.

The schedule for the Annual Meeting would stay the same- Annual Meeting, lunch, Installation of Officers and post-party.

In Memoriam

*Passed within the Unseen Temple,
Life is a story in volumes three.
The past, the present, yet to be.

is locked from sight.
