The Potentate's Message

Dear Brother Nobles and Ladies,

We had a good attendance at the March Stated meeting and the Ladies program, Thank You. During the meeting a motion was made and approved to build out a food service area to serve food out of the Oasis. Noble Jim Frederiksen stood up and made a substantial donation for the buildout of the food service area. With Heartfelt Thanks we would like to thank Noble Jim for his generosity. We had a great showing of Fezzes for the parades this last month. We are back to collecting can tabs and ask you to bring them to the office. In February we raised \$140.40 with a total so far of \$475.94 this year for the Hospital and the recycler at the end of the year will match the amount. We worked Music on the Bay at Whiskey Joes and thanks to all that came out to help. They had the USF Bulls for Kids Marathon at the Marshal center at USF, and they raised \$60,254.71 in just 12 hours for the Hospital. Our Memorial Service to Honor our Nobles who have passed last year went very well. We had a Poker Run/Scavenger Hunt and it was a lot of fun for everybody.

We have a Masonic Refresher Course scheduled for April 6th at 6 PM in the Directors Staff room for anyone who has not been to Lodge in a while. The Blood Mobile will be back onsite again at the April Stated Meeting April 13th from 3 – 8 PM. The dinner scheduled for the April Stated meeting will be by the Cracker Jacks. The Children's Easter Egg Hunt will be April 17th from 10 AM – 1 PM at the Shrine. Bring your children or grandchildren for this fun event. I hear the Easter Bunny may be making an appearance. We have a Lodge Visit on the 19th at Pearl of the West Lodge with dinner at 6:30 and need to know if you will be attending so they can plan dinner for us. We have the Circus April 21st – 24th at the Fairgrounds and need all hands-on deck to help.

The Council of Units meeting will be for the announcements to be made, and the Stated meeting will be for business and presentations so we can get together with our ladies in the Oasis. Check out the events calendar on our website <https://www.egyptshriners.com> under the events tab and stay informed about what is going on in YOUR Shrine. We are also sending out information by Email with Constant Contact. If you are not receiving them let us know so we can make sure you get them.

We need to remember that Membership is all our responsibility and together we can grow Egypt Shrine.

The Lady's Corner

By Lady Debbi Schaefer

There were a great group of ladies for the March Ladies Night. It was bunco night, lots of laughs, lots of fun and a few prizes for winner and losers. Your next opportunity to join us is April 13th. It's card night. So, if playing with a deck that is a few cards short of full, come join us. No reservations are necessary, but if you'd like to let us know you are coming, we 'd be more than happy to welcome you. Typically, there is a meal available to purchase prior to the gentlemen's Stated Meeting. You can always reach me via email debbis@lectampa.com or cell 727-580-1414.

Scottish Rite News

By Worshipful Casey Fletcher 33°, IGH

Masonic ritual offers lessons for decision-making.

The sixth degree, Confidential Secretary, reinforces a lesson from the Blue Lodge that we should subdue our passions and make decisions unemotionally. The legend of the 6th degree derives from two isolated sentences found in 1st Kings of the Volume of Sacred Law:

“But when Hiram came out from Tyre to see the cities which Solomon had given him, they did not please him. Therefore, he said, what kind of cities are these that you have given me, my brother?”

In our legend Hiram angrily confronts Solomon over the condition of these cities. Zabud, Solomon's trusted assistant, was hiding in the chamber observing the argument. Zabud is drawn into the confrontation and narrowly escapes punishment only by Solomon's intervention.

A salient message of this degree is never to make a decision emotionally. Hiram made a decision from anger, Zabud decided to hide out of fear.

The 15th degree, Knight of the East, teaches that

decisions should be based on principle and “rightness”.

Our protagonist, Zerubbabel, requests King Cyrus to free the Jews from captivity so they can rebuild the Temple. Cyrus requires Zerubbabel to break a vow of secrecy in exchange for his people's freedom and offers him inducements to do so.

Zerubbabel refuses. He keeps his vow of secrecy. His decision was unemotional. It was based on the “rightness” of a duty to keep a vow or promise.

In the 28th degree, Knight Commander of the Temple, Constance likewise takes a solemn vow. Similar inducements are offered to break it. He stands firm and unemotional. But ultimately, he breaks his vow in order defend his city against attack. His decision was based on a desired outcome. Constance unemotionally decided the defense of the city had greater benefit than maintaining his vow.

The choices Constance and Zerubbabel confronted were similar, but Zerubbabel keeps his vow, Constance breaks his. Masonry honors both as heroes.

Zerubbabel and Constance were Confidential Secretaries and knew the lesson of the 6th degree. Both made their decisions unemotionally. Both demonstrated disinterestedness, dispassionate rational thinking, a nobility of character and any number of virtues Freemasonry advocates.

Zerubbabel's decision was based on principle. Constance's decision was based on an expected beneficial outcome. The reasons for the decisions were different. The decisions were different. Which was “right?”

Clearly, we should make choices dispassionately. But when do we decide based on principle and when based on an expected outcome?

Freemasonry highlights this ethical dilemma but furnishes no help on how to choose.

The British philosopher WD Ross (1877-1971) provides some help. He asserts that both outcomes and principles are relevant to whether an act is right or good or moral. Our decision “depends on all the morally significant” issues.

“No act is ever, [by] virtue of falling under some general

category, necessarily [or] actually right; its rightness depends on its whole nature.” For example, the prime facie rightness of a benevolent act may outweigh the prima facie wrongness of breaking a promise.

Ross skillfully avoids moral relativism, as does Freemasonry. He opines that “we have no better way” of knowing right and wrong than “looking to the moral convictions of the best people of many generations, who have developed an extremely delicate appreciation of moral distinctions.”

That sounds like Freemasonry. We look to the “moral convictions of the best people of many generation who have developed an extremely delicate appreciation of moral distinctions.”

We seek to emulate the sages. See you in Lodge.

The writer is the Past Master of Tuscan Lodge No. 6 in Bartow. Never has he been accused of being emotional. However, he is seldom fully certain of the rightness of his decisions and choices.

The Scottish Rite meets on the 2nd Monday of each month at 7:00 PM, preceded by a 5:45-ish PM dinner. The meeting locations will rotate for the next two years while a new Center is constructed. Our April 11th meeting will be at John Darling Lodge No. 154, 4601 North Habana Avenue, Tampa. The Scottish Rite’s degrees will be conferred September 24, 2022 (tentative). Petitions are available at <http://tampascottishrite.org>.

Lakeland Shrine Club

By Noble Joseph Rodriguez

Shalom Aleichem!

“If you’re quiet, you’re not living. You’ve got to be noisy and colorful and lively.” ~ Mel Brooks

Our Jewish Brethren in March celebrated Purim. The hallmark of the holiday is all about unity, family and togetherness.

The Lakeland Shrine Club, Polk County’s only club, is united by inviting family members to our dinner meetings on the third Thursday of the month at different locations throughout Polk County, and we show our togetherness by supporting the “TAB” drive for the children we support.

At our March 17th meeting, we were lively and made noise celebrating St Patrick’s Day at Ovation Bistro on South Florida Avenue in Lakeland. Green beer?

Discussion was held on going to “Sun & Fun” as a group and doing other outings. Sun and Fun will have the Thunderbirds performing.

Any questions regarding the Lakeland Shrine Club should be directed to Jrod2@bellsouth.net.

Happy Passover and Easter.

Peace be with you!

Sun City Center Shrine Club

By Noble Don Churchill

March watched us bring in 5 new members to Sun City Center, with more due for April.

We were able to participate in both the Dade City Parade and the Strawberry parade. We did the Strawberry parade without our Golf Cart, due to problems with trailer.

But thank to Honor Guard for giving us a ride on their float. We are reading for a couple more parades now with our trailer fixed.

Our Next Luncheon meeting will be on April 13th. Our planning has started for our October 50’s Gala! watch for more news.

Spring has Sprung and the sap is running.

Shriners International

-  In 2022, the Shriners International fraternity and the Shriners Hospitals for Children health care system celebrate major milestones.
-  Shriners International is celebrating the 150th anniversary of its founding, which was on September 26, 1872.
-  Shriners Hospitals for Children is celebrating the 100th anniversary of its founding, on September 16, 1922.
-  Shriners International was founded in New York City in 1872 by a group of fun-loving Masons. Master Masons are eligible for membership in the organization, which is based on the fundamentals of Masonry but with the added elements of fun and fellowship.
-  Created by Walter M. Fleming, M.D., and actor William J. "Billy" Florence using a Near-east theme that was in vogue at the time, the fraternity was originally named the Ancient Arabic Order of the Nobles of the Mystic Shrine. It still uses Near-eastern symbols, most distinctively the red fez.
-  Now known as Shriners International, the fraternity has nearly 200,000 members, and Shriners can be found on six continents. Shriners are known for their good humor, and they love spending time with others who share their interests, whether it be performing in parades or bands, connecting via Zoom for a technology unit or getting together to ride motorcycles, make barbecue or craft beer. The bond of brotherhood that Shriners enjoy also helps them develop personal and professional skills such as communications and leadership.
-  In addition to fun and fellowship, Shriners value serving their communities in ways large and small. From hosting charity events to volunteering their time to supporting their official philanthropy, the red-fezzed Shriners are among the most generous and caring men you will ever meet.

Shriners Hospitals for Children

-  Members of Shriners International have always shared a common desire to help those in need. Even in the earliest years of the fraternity, nobles aided victims of catastrophic events and served those less fortunate in their local communities, exhibiting a generous spirit beyond the group's mission of fun and fellowship.
-  In the late 1910s, Shriners International took steps to formalize a philanthropic endeavor members could call their own. In 1922, the first Shriners Hospitals for Children opened, in Shreveport, Louisiana, to serve children with orthopedic conditions, particularly those caused by the polio epidemic happening at the time.
-  What began as a single hospital is now a unique health care system with locations across the United States, as well as in Mexico and Canada. Outreach programs help the system reach children around the world.
-  Today, the health care system, often known as Shriners Children's, offers care for a range of orthopedic issues, as well as care for burn injuries, craniofacial conditions, spine care and spinal cord injuries, colorectal and gastrointestinal care, and sports medicine. Our experienced, innovative and dedicated teams work together to provide treatment to help each patient meet their goals and reach their full potential.
-  Since 1922, Shriners Hospitals for Children has improved the lives of more than 1.5 million children.
-  The health care system's three-part mission has one goal: to change and improve lives. We do this by caring for our patients, conducting research to gain knowledge and develop new treatments, and providing educational opportunities for physicians and other health care professionals.
-  The health care professionals of Shriners Hospitals for Children have been responsible for many pioneering treatments over the years, including, but not limited to, innovative treatment for burn injuries, rehabilitative care of kids with spinal cord injuries and new treatments for scoliosis (curvature of the spine) such as vertebral body tethering.
-  Shriners Hospitals for Children looks forward to its next 100 years of caring for children and their families.

PATHWAY OF HONOR II SPECIAL ANNOUNCEMENT

Nobles and friends of Egypt: we are proud to announce that Phase II of the Pathway of Honor brick project is in place. **We do however need your help.** If you ordered an engraved brick during Phase I which had been in storage, there is a SLIGHT chance it may have been misplaced. Therefore we encourage you to visit Phase II and identify your brick. To assist in this we have redesigned the placement of bricks.

The placement plan is as follows:

Using the “Walking tall statue” which faces north:

Memorial bricks are placed in front of it, due North

Individual bricks are placed South (approaching the building)

Club/Unit bricks are placed West, and

Masonic and Shrine Dignitary bricks are placed East

Your assistance with this is greatly appreciated. **If your brick is verified as missing it will be replaced at no charge.** Please send any inquires to rmot14@gmail.com and we will respond to you with our findings.

In Memoriam

Passed within the Unseen Temple,

Life is a story in volumes three.

The past, the present, yet to be.

The first we've written and laid away.

The second we're reading day by day.

*The third and last of the volumes three,
is locked from sight.*

God keepeth the key.

The Book of Gold was established in memory of Noble Morton Glenn Henderson by Mrs. Henderson in July of 1969 for Shriners and Non-Shriners who wish to make a memorial contribution in the name of a loved one, close friend, or fellow member in the amount of \$50.

The person's name is then entered in the Book of Gold which is on display in the Egypt Shrine Chapel. It presently has over 400 names and is updated quarterly.

This memorial gift benefits the Egypt Shrine Building Fund and is not tax deductible. Please consider this lasting way to remember a loved one by supporting the Book of Gold and your fraternity.

See information and application form here, or contact the Shrine office for further information.
